

Device Assembly

To assemble the communications device, attach the six rotors to the central core according to the following diagram and instructions. This will reveal the 6-letter shutdown code. Type this code into ClueKeeper to disable VANESSA.

Position 1: Rotor 2, army men are this color **#00FF00 (green)**

Position 2: Rotor 6, cookie ingredient **cinnamon**

Position 3: Rotor 4, paper **wasp**

Position 4: Rotor 5, unfortunate excavation while looking for **diamonds (ice)**

Position 5: Rotor 3, no place like **home**

Position 6: Rotor 1, ...and then the **screaming**, according to Unfiction

Final: TORPOR
